

Opencart Module

Facebook Box Like (free)

Author : Top1Extensions
Version : 1.0
Original Release Date : June 25 2013
Opencart Compatibility : v1.4.x, v1.5.x, v1.6.x
Email : support@top1extensions.com

Description

This module is a simplest and quickest way to add like box block with facebook like box plugin into your shop. With this free module you can add box into right column or left column of your shop. You can also get commercial version of this feature Facebook Like Box, in which you can add like box plugin anywhere you want.

The module is easy to use and configure. You are able to show or hide faces of people who like your Facebook page. You can show or hide stream from your FB page.

Installation

Copy the files from the **upload** directory to your target installation directory of OpenCart

In the Administration interface, choose **Admin > Extensions > Modules**

Select **Facebook Box Like – Top1Extensions**, then click on the **Install** link to the right.

And you can config module:

[Home](#) :: [Module](#) :: [Facebook Box Like - Top1Extensions](#)

Facebook Box Like - Top1Extensions Save Cancel
